

Central Board Minutes
February 12, 1957

The meeting was called to order by President Fowler. The minutes were read and approved.

BUDGET & FINANCE:

Cook reported that 400 tickets will be available to University students for the Missoula Civic Symphony on Sunday night. Students were admitted to the last concert of this type free. If tickets are to be sold for the concert Sunday we will have to find some group to handle ticket sales. Cook said that he did not know what the money might be used for. Fowler suggested that University students be admitted free as was done for the last concert; the board was generally in favor of this. Riddle moved that University students be admitted to the Missoula Civic Symphony concert Sunday without charge. Shope seconded the motion. Passed 15-0.

PUBLICITY--TRAVEL:

Scriven announced that Tempie Brown has been appointed chairman of the College Crusade for Freedom Drive. It will be held in conjunction with the Crusade for Freedom Drive which will be held in Missoula.

Anaconda Booster night will be February 23rd. Scriven said that there have been some complaints as to the seats reserved for the visitors on booster nights. Steinbrenner suggested that the boosters be given end seats rather than a section behind one of the baskets at the end of the field house. The board agreed that this would be the best solution.

Scriven said that her committee had inquired into the possibility of holding a high school leadership camp as was set up (but canceled) last year. She recommended that such a camp be set up by the new Pub-Travel committee this spring and held in the fall of 1957.

Scriven moved that \$250 be allocated from the Pub-Travel fund to Jubileers for their tour. Fox seconded. Passed 15-0.

CONSTITUTIONAL CHANGE:

Scriven moved that the ASMSU Constitution by-laws, Division II, Article XI, Sec. 1 be changed to read as follows: "Membership. Chairman, who must have served on this committee the year previous to his appointment as chairman,....." and the following sentence will be added to section 1: "The chairman must submit a committee report (if there is one) at each meeting of Central Board".

MacPherson seconded the motion. Passed 13-1 (Beiswanger against, MacPherson abstaining).

ACTIVITIES BOARD:

Shope announced that there will be an exhibit from Arts and Exhibits committee. She also said that there will be a Valentine dance in the Room from 5:00-6:00 P. on February 14th. MSU is expecting 35 girls from BYU to present the halftime entertainment at the game on Feb. 23rd. Arrangements have been made to house them at sororities. The student body officers of BYU may also be here for the game. An announcement will be made to this effect at the next Central Board meeting.

ELECTIONS FOR J. COUNCIL CHAIRMAN:

Steinbrenner said that Friday, Feb. 15th at 5:00 P.M. will be the deadline for petitions for J. Council chairman. Petitions are available at the main desk in the Lodge. Primary elections will be Friday, Feb. 22nd and final elections will be Friday, March 1st.

ATHLETIC AWARDS:

Fowler requested that the names of those persons who received a varsity Football Monograms for 1956 be approved by Central Board as well as those who received Freshman Football Numeral Awards for 1956. He went on to explain that this approval by Central Board was a mere formality and that the names had been unanimously approved by Athletic Board. Scriven moved that Central Board approve the names of those persons who received Varsity Football Monograms and Freshman Football Numeral awards for 1956. Shope seconded the motion. Passed 15-0.

CONVOCATIONS COMMITTEE:

Cara Boggess, chairman of Convocations committee, appeared before Central Board to inquire as to the exact function of her committee. She pointed out that other committees, such as Traditions Board, handle pep convos and rallies; Public Exercises, a student-faculty committee, plans the Charter Day convo; and a new committee, Visiting Lecturers committee, was recently created. The members of Convocations committee feel that they now have no exact function. She suggested that Convo committee might work best if used as a screening committee for groups wishing to present convos since it is impossible for Convo committee alone to hunt up and present convos. During the discussion which followed it was agreed that there is much over-lapping of committees. Central Board felt that Convo committee should probably act as a screening committee, as Boggess had suggested and that perhaps this was the original function when the committee was set up. Scriven again pointed out that Visiting Lecturers committee is superfluous and infringes on Convo committee. Content agreed with her. Beiswanger also felt that Central Board was at fault in creating Visiting Lecturers committee. After a short discussion Shope moved that Convo committee, Visiting Lecturers committee, and Traditions Board, as well as other persons directly concerned, meet to define their individual purposes and report their finding back to Central Board. Riddle felt that Convo committee should act as a nucleus to all these committees. It was pointed out that Public Exercises is a student-faculty committee composed of members of Convo committee and faculty and would therefore not have to meet with these other committees. MacPherson seconded Shope's motion. Passed 15-0.

REGIONAL NSA INTERNATIONAL RELATIONS SEMINAR:

Fowler read a letter from Mary Lee Neil, secretary of the Great Northwest region of USNSA, telling of the NSA International Relations Seminar which will be held at Ellensburg, Wash. from March 29-31. Twenty-five students will be selected from this region to attend and applications may be obtained from John Fowler. Fowler suggested that Roger Baty, chm. of the International Students committee, be given the information concerning the seminar and publicize it through his committee.

NSA BROTHERHOOD WEEK:

Fowler said that he had received material from NSA telling of Brotherhood Week which will be Feb. 17-24th. The purpose is to promote good relations between different groups of U.S. citizens. It was suggested that the poster and materials sent should be posted in a prominent place in the Lodge for publicity.

Fowler announced that Mrs. Gladys Lawther, secretary of WUS and also regional secretary of WYCA of WMCA, will be in Missoula next week to speak to those groups interested.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Roxie Perrior
